\_Ofsted Report October 2023: **“Because teachers really care about us, we really care about them,”** What our students said about us.

Do you want to work in a vibrant, rural, 11-18 school, which is in the heart of the Oxfordshire countryside, on the edge of the thriving market town of Banbury? The Warriner School has an excellent academic reputation, both locally and more widely, and we are very proud to be an integral part of the community that we serve. Staff have high expectations for all students and work enthusiastically to continue raising attainment and achievement.

We want to appoint a well-qualified, enthusiastic and dedicated teacher of Art, to include some Textiles teaching, to join our thriving and successful team. The Art & D&T department is focused on providing a broad, balanced, rich, and challenging education for all students alongside raising standards in both attainment and progress. Art and Textiles are a vital part of the Creative Arts and Cultural Society Faculty and spans all three Key Stages. This post will appeal to both experienced teachers of Textiles and those starting out in their career.
